Release Notes
April 18 2016

These Release Notes are intended for users and administrators of Lockdown and JailATM.com. They provide you with information about Lockdown and JailATM.com updates, including the new features of this release and important changes since the previous one.

We recommend that you read this document before installing and using Lockdown.

This document may be updated after it is released.

New This Release

8.0.266.0	**Lockdown - Reports - Historical Resident Balance Report** *Added Historical Resident Balance Report that shows the status of the resident during the period that the report is being run.*
WEB	**JailATM.com - Contact Approval - Video Call Support** *Added the contact approval system to video calls so that it matches the functionality of emails.*

Enhancements

8.0.261.0	**Lockdown - User Permissions - Three New Permissions** *Three features previously accessible only to Administrators ("Abandoned Account Forfeitures", "Collection Agency Debt Transfer" and "Mass Commissary Credit") were added to the User Permissions to make these tasks available to non-Administrators.*
8.0.264.0	**Lockdown - PayMyJailer - Debt Transfer Speed Improvement** *Optimized debt transfer process for Pay My Jailer.*
8.0.265.0	**Lockdown - Inventory - Product Search** *Added search boxes to the Product Lists and the Price Lists.*
WEB	**JailATM.com - Contact Approval - Reasons** *Officers can add and edit reasons or comments on why a contact was approved or denied. Editing can be done from "My Account" > "Approve Contacts".*

Fixed Known Issues

8.0.263.0	**Lockdown - Warehouse - Reorder Points**	
	Fixed an issue with Reorder Points.	
WEB	**JailATM.com - Password Reset - Unable To Reset Password**	
	Fixed an issue that could prevent a user from resetting their password.	
WEB	**JailATM.com - My Account - Account Details**	
	Fixed an issue that prevented a user from seeing changes made to their account information until they logged out and then logged in again.	
WEB	**JailATM.com - Issues - Officers Can View Drafted Issues**	
	Fixed an issue where residents were creating blank issues by closing the issue before clicking save.	
WEB	**Lockdown - Issues - Transition Order**	
	Fixed an issue where the transition order wasn't being respected causing the UI to be out of order.	
WEB	**JailATM.com - Kiosks Software - Simultaneous Login Prevention**	
	Updated the database to restrict all kiosk logins to one kiosk per login.	
WEB	**JailATM.com - Issues - Group Permissions**	
	Fixed an issue where a user with the necessary group permissions couldn't access the associated issues.	
WEB	**JailATM.com - Workflow Interaction Report - Data Overlap**	
	Fixed an issue where Resident Names could write over the Resident ID.
