

Release Notes

March 07 2016

These Release Notes are intended for users and administrators of Lockdown and JailATM.com. They provide you with information about Lockdown and JailATM.com updates, including the new features of this release and important changes since the previous one.

We recommend that you read this document before installing and using Lockdown.

This document may be updated after it is released.

New This Release

-
- | | |
|------------------|--|
| 8.0.224.0 | Lockdown - Pricelists - Web Enabled With Tax and Commission Included in Price
<i>Added a new pricelist to Lockdown that is Web Enabled for Collect Commissary as well as having the tax and commission in the displayed price</i> |
| 8.0.226.0 | Lockdown - Reports - Bank Analysis Report
<i>Added two reports, Bank Analysis Summary and Bank Analysis Details. These reports show all transactions that affected the bank account within the given date range.</i> |
| 8.0.227.0 | Lockdown - Cash Drawers - Cash Drawer Stashing
<i>Added the ability for users to stash transactions for counting at a later date. Stashing allows the users to reduce the downtime of the ATM and/or Booking Manager while the cash is in transit. When a cash drawer is stashed the current balance will be moved to a stash and the cash drawer balance will be returned to \$0.00.</i> |
| 8.0.228.0 | Lockdown - Reports - Thermal Securus Pin Report
<i>Added a receipt version of the Securus Pin Report that uses the 80mm thermal printer format. It is identical to the full size version in regards to the data displayed on the paper.</i> |
| WEB | JailATM.com - Workflows - Preconfigured Responses
<i>Facility Admins can now set up preconfigured responses for workflows. There is a new option under account that will allow Admins to add or edit responses. The responses are attached to user groups and when a user responds to a workflow, they will have access to all responses associated with any group they are assigned to.</i> |

Enhancements

- 8.0.217.0 Lockdown - Spillman JMS - Numeric Phone Order ID**
Added the option to create a numeric phone order ID when the inmate ID includes letters.
- 8.0.217.0 Lockdown - Telmate Phone Interface - Export ID**
Telmate Debit Time now uses the Export ID from the user options.
- 8.0.229.0 Lockdown - User Permissions - New User Permission For Restrictions**
Added a new user permission for restriction editing. Previously only administrators were allowed to edit restrictions.
- 8.0.234.0 Lockdown - User Options - Strip Characters After Hyphen**
Added a new user option "Strip Characters After Hyphen". When enabled any characters after a hyphen in a resident id will be ignored.
- 8.0.234.0 Lockdown - Gift Card Changes - Improved & Optimized**
When viewing the ACH receipt for ACHs from the website it will show a list of gift card transactions that the ACH consisted of. There is a new security permission for voiding gift card transactions.
- 8.0.235.0 Lockdown - Receipt Printing - Option to Automatically Print Phone Pin Report**
Added a new option to automatically print the resident Phone Pin Report when an account is opened or reopened.
- 8.0.236.0 Lockdown - Reports - Total Resident Receipts Report Optimization**
Improved the performance of the Total Resident Receipts Report. It eliminates many unnecessary database operations and does most of the work in memory to give it a significant speed increase.
- 8.0.236.0 Lockdown - ACH - Voiding**
Users who have the Fix Transactions permission can now void ACHs.
- WEB JailATM.com - Workflows - Search Issues Permission**
Added a User Permission required to search issues.

Fixed Known Issues

- 8.0.213.0 Lockdown - Memory Management - Lockdown Service Optimizations**
Optimized memory management in Lockdown service.
- 8.0.227.0 Lockdown - Cash Drawer Stashing - Deposit Screen Message Always On**
The message "There are stashed transactions" now only displays when appropriate.
- 8.0.233.0 Lockdown - Order Posting - Onsite Reports when Tax Included in Price and Taxable**
Lockdown will now correctly report the sales tax and commission when the pricelist has tax included.
- 8.0.233.0 Lockdown - Indigent Checks - Balance Over Time Improvements**
Fixed an issue where the indigent balance over time was calculating the wrong maximum balance. Since this needed to be reworked we took this opportunity to also do some efficiency improvements. Posting time should be improved as well.
- WEB JailATM.com - Kiosks Software - Optimized Memory Usage**
Improved and optimized memory usage of the kiosks.
