

# 2017-03-27 Release Notes

## Release Notes

---

March 27, 2017

These Release Notes are intended for users and administrators of Tech Friends' Application Suite. They provide you with information about updates that have taken place to one or more of our applications, including the new features of this release and important changes since the previous one.

*We recommend that you read this document before installing and using any associated Tech Friends' application.*

*This document may be updated after it is released.*

## New This Release

---

Release Version	Release Title	Release Description
3.27.17	JailATM.com - Kiosk Software - Minimum Versions	Added a Facility minimum version for Kiosks, Tablets and Locking Tablet Stations. Devices will be upgraded to the minimum version automatically if their current version is below the minimum.
