

2016-11-07 Release Notes

Release Notes

November 07, 2016

These Release Notes are intended for users and administrators of Tech Friends' Application Suite. They provide you with information about updates that have taken place to one or more of our applications, including the new features of this release and important changes since the previous one.

We recommend that you read this document before installing and using any associated Tech Friends' application.

This document may be updated after it is released.

New This Release

Release Version	Release Title	Release Description
-----------------	---------------	---------------------

No issues found

Enhancements

Release Version	Release Title	Release Description
1.2.0.86	JailATM.com - Kiosk Software - Law Library Domain Switch	The Kiosk Software can now handle Law Libraries that switch Domains during use.
8.1.8.0	Lockdown - Inventory Adjustment - Added Search Box	Added a search box to the Inventory Adjustment Screen.
8.1.8.0	Lockdown - Reports - "Simple Work Release Pay Report"	Added a report that shows work release payments and voids between a specified date for those that use the Simple Work Release method.
WEB	JailATM.com - Workflows - Sort Group Responses	Workflow Responses will now be sorted alphabetically. Responses now also can be marked as inactive so that they will not show in dropdowns.
WEB	JailATM.com - InTouch Charging Station - New Column Added to Base Station Status UI	Added a new column to the base station status to display the status of each kiosk within the base. Displays whether each kiosk is ready for use or still reloading.

Fixed Known Issues

Release Version	Release Title	Release Description
8.1.8.0	Lockdown - Commissary - Lockdown Item Restrictions On Web Improvement	This update improves the performance of the feature that restricts commissary items that external individuals purchase for residents on the website based on that resident's restrictions in Lockdown.
8.1.8.0	Fix Lockdown Putting Bonds on Incorrect Accounts	Lockdown no longer does a lookup for booking ID if it does not a Resident by ResidentID
8.1.8.0	Lockdown - Fix Transactions - Display all options	Fixed an issue where using the "Fix Transactions" screen would not display all of the options available to fix the selected transaction.
8.1.8.0	Lockdown - Reports - Remove Bonds and Bond Cancels from certain reports	Removed Bonds and Bond Cancels from detail reports which had been showing the amount of the bond under the adjustment field as these transactions do not affect Balances.
8.1.8.0	Lockdown - Release - Fixed "Money To Be Released:" Amount	Fixed the amount shown by "Money To Be Released:" to account for debt to funds that collect on release.
8.1.8.0	Lockdown - Restrictions - Fix "Appear on Group Screen" Option	Fixed an issue that caused all restrictions to appear on the groups screen even if their "Appear on Group Screen" option was unchecked.
WEB	JailATM.com - Credit Cards - Disabling Bonding Transactions when credit cards are disabled	Fixed an issue that allowed Bond transactions to occur when the facility was set to not allow Credit Card Transactions.
WEB	JailATM.com - Manage Resident Kiosks - Fixed Always Shows Default for "Kiosk Take Picture On Login" Setting	Fixed an issue where the kiosk edit page was not able to retrieve the "Kiosk Take Picture On Login" setting on for the Kiosk and would only display the Default.
WEB	JailATM.com - Credit Cards - 9 digit ZIP Code Not Processing	Updated credit card processing to work when the 9 digit zip code is provided and contains a dash.
