

Release Notes

November 09 2015

These Release Notes are intended for users and administrators of Lockdown and JailATM.com. They provide you with information about Lockdown and JailATM.com updates, including the new features of this release and important changes since the previous one.

We recommend that you read this document before installing and using Lockdown.

This document may be updated after it is released.

New This Release

- | | |
|------------------|---|
| 8.0.124.0 | JailATM.com - Online Commissary - Crediting
<i>Online Commissary (New Web Packs) can now automatically credit the purchaser using Lockdown's credit module. This feature will be on a staged release, please contact Josh McKinley (jmckinley@techfriends.com) for coordinating & setup.</i> |
| 8.0.124.0 | JailATM.com - Online Commissary - New Pricelist
<i>Lockdown now has a new pricelist "Web enabled" that allows pricing to be set up at warehouses for the new Online Commissary (New Web Packs). This feature will be on a staged release, please contact Josh McKinley (jmckinley@techfriends.com) for coordinating & setup.</i> |
| WEB | JailATM.com - Online Commissary - Improved Online Commissary & Deposits/ Bonding Coexistence
<i>Online Commissary (New Web Packs) and Bonding can now be active at the same time where previously this was not possible. This feature will be on a staged release, please contact Josh McKinley (jmckinley@techfriends.com) for coordinating & setup.</i> |
| WEB | JailATM.com - Online Commissary - Search Tool For Online Commissary & Allowances
<i>JailATM.com now allows the facility and admin users to search Online Commissary (New Web Packs) & Allowances, and to see what was included in the order. This feature will be on a staged release, please contact Josh McKinley (jmckinley@techfriends.com) for coordinating & setup.</i> |
| WEB | JailATM.com - Online Commissary - Automatic Receipts |

Online Commissary (New Web Packs) should send a receipt to the purchaser's email automatically. This feature will be on a staged release, please contact Josh McKinley (jmckinley@techfriends.com) for coordinating & setup.

Enhancements

- 8.0.152.0 JailATM.com - Online Commissary - Disable Standard/Scheduled Auto Posting If Collect Commissary Is Enabled**
This will no longer allow Auto Posting or Scheduled Posting to be selected if Collect Commissary is enabled. If the option is selected, it will disable the ability to set the other two. If these options are already set in their options, the database upgrade will disable the Auto/Scheduled Posting and keep Collect Commissary enabled.
- WEB Tablet - Reports - Activity Format Improvement**
Tablet and Resident Kiosk Current Activity report has been modified to be more readable and should not time out on the Resident Kiosks.

Fixed Known Issues

- 8.0.154.0 Lockdown - Transactions - Fixed Sorting In Resident Transaction Grid**
The Transaction listing on the Edit Accounts screen was sorted incorrectly. It now correctly sorts transaction in descending order.
- 8.0.155.0 Lockdown - Price Lists - Fixed Price List Edit sorting**
The price list edit screen was sorted by the sell flag. It has been fixed to sort by order code.
- 8.0.159.0 Lockdown - Indigent - Improved Efficiency Of Indigent Checks And Balance Restrictions**
The function being used for the indigent rule "Balance never exceeds" and the balance period restriction rules was looking up too much data. Optimized the database call to improve performance when these features are being used.
- WEB JailATM.com - Inquiry/Grievance - Fixed Specific Crash Cases**
Fixed the selection grid for inquiries and grievances that would cause a crash in certain situations.
